

# MaineHealth Dept. of Psychiatry Grand Rounds

February 3, 2026

## ***“Disorders of Gut-Brain Interaction and the Role of Psychiatry”***

8:00 am – 9:00 am  
**VIRTUAL ONLY**

Presented by:

**Elizabeth N. Madva, MD**

Assistant Professor of Psychiatry,  
Massachusetts General Hospital

At the conclusion of this activity, participants will be able to:

- Identify the defining features of the disorders of gut-brain interaction (DGBI)
- Recognize the role of biological, psychological, and social factors in DGBI pathophysiology
- Discuss both pharmacologic and non-pharmacologic treatment approaches for the DGBI and how these can be integrated into clinical practice

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, MaineHealth is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**DISCLOSURE:**

All planners, faculty, and other in control of the content of this educational activity have no relevant financial relationships with ineligible entities (i.e., commercial organizations).
