MaineHealth

How To: Download the CloudCME App

① Initial Login – ONE TIME PROCESS

Download the app "CloudCME by Multiweb" at your favorite app store (Apple or Android)

After Installing you will be prompted to enter an organizational code. This code is **mainehealth** (all one word).

Tap the "Login or Create Account" button.

Select "Sign in with your email and password"

② Accessing the App

Once logged in you'll be brought to a menu screen where you can access:

Transcripts

Evaluations

Certificates (NOTE: Most of your certificates will only properly display when using the full CloudCME site)
